Letter No. 306/47-24, dated the 6th February 1928 from the Inspector of Schools, Coorg and Bangalore.

Please see the Statement B. submitted to the Government of India containing detailed proposals for 1928-29 for the utilization of the grants sanctioned under the five years' programme. A sum of Rs. 6,000/- has been provided under "IV-Grants to be paid to aided schools" for the following purposes:-

	1928-29 Rs.
(a) Special grants to the Queen Victoria Own Madras Sappers and Miners' schools	5,500
(b) Extra grant for new schools admitted to aid.	500
	6,000

The above grants have been approved by the Government of India-Vide sl.41.

The Inspector now asks whether he can utilize a small portion of the grant under (b) towards grants-in-aid for instituting a Teachers' Provident Fund in the ---- Elementary Schools under R.B.A.N.M's Charities.

Please see rules 60 and 61 of the Grant-in-Aid Code for Indian Schools in the Civil and Military Station Bangalore, under which grants may be given towards the starting and maintenance of Provident Funds for teachers in aided colleges, secondary and elementary schools, --- provided that the rules governing the Fund have been approved by the Hon'ble the Resident. As the proposal has not been included in our programme for 1928-29, it appears that the sanction of the Government of India is necessary for utilizing the amount. If approved the file may be sent U.O. to the Pay and Accounts Officer for favour of remarks.

Sir,

I have the honour to invite your attention to your No S. 42 192/83-26, dated 9-1-1928, in connection with the allotment of funds for 1928-29 under the five years' programme of educational expansion in this Station.

2. A sum of Rs.6,000/- has been allotted under "Account II - D. Grants-in-aid to non-Government Primary Schools - Grants-in-aid to Primary Schools (recurring)". I shall be obliged if you will kindly let me know whether I can utilise a small portion of this grant (about Rs.400/-) towards grants-in-aid for instituting a Teachers' Provident Fund in the Elementary Schools under the R. B. A. N. M's Charities. The fund will be helpful in preventing teachers from changing schools frequently and in making them more contented. If this is approved, I expect

more Elementary Schools will institute similar funds and the Grants-in-aid towards them can be met from the increased allotments of Rs;1,000/- each year that have been promised under the head referred to above.
